WINERY: _____ Total Wines Entered:____

*NOTE: Use this page (and additional copies of it) only *after* completing page one of the entry form so that we have all your contact information.
If emailing or faxing, please indicate on cover page the total number of pages being sent and total number of wines entered to assure we receive all your entries.

Category Code	Vintage per label	Name of Wine as it appears on label: Varietal, blend or proprietary name. Brand name if different than Winery above	Other Designations (Reserve, Vineyard Name etc) Only if on front label, exactly as it appears.	Appellation Per label	Grape Varietal, percentage of each (For internal use; not published)	Residual Sugar %	Sugg. Retail $

IMPORTANT INFORMATION: For Name of Wine, include the Brand Name if different than winery, or use a separate entry form for each Brand. If entering multiple brands, include a cover sheet listing all brand names, number of each, and total entered. Make clear the distinction between a Brand Name and a Proprietary Name within a Brand Name. Copies of labels can clarify this issue, so please include one label or legible copy for each wine with the entry form (not with the wine). Tech sheets and other additional information are welcome, especially with unusual wines or blends. Residual Sugar is important to assure proper coding, so write a number clearly and state the number as a percentage, not as Grams per Liter, or in words.

Type or PRINT CLEARLY, using dark ink. Do not abbreviate unless necessary. Print or photocopy additional copies of this page as needed. Use of your own format is acceptable (Excel or Word, for example) if ALL information requested is given. A horizontal (landscape) format is preferred. Keep a copy of the completed entry form for your records. If changes are made after the form is sent, fax or email an entry form marked "REVISED", or for simple changes you can call or email the information (619-254-7117, 619-246-1964, Critics_Challenge@yahoo.com).

Make sure all bottles for each entry are exactly the same wine, vineyard, vintage, etc. (this is a common error). Indicate on entry form the size of the bottle or container if it is other than a standard 750ml bottle. State the price of the size bottle you are shipping, or explain. See entry instructions for number of non-standard bottles required. Include a copy of previously submitted entry form with wine shipment. For your security, if you have written credit card information on the entry form, delete it on the shipping copy. Mark each boxes indicating total shipped (example: "Box 1 of 3") Ship wine as soon as possible to allow time to resolve questions or issues, especially if shipping from outside the US. To assure proper handling and storage, ship wine only to the Westgate address.
